

TSCA Compliance

Feb, 9th 2022

C&K is committed to provide products that comply with substance regulations, such as RoHS directives 2011/65/EU & 2015/863, REACH regulation (EC) N° 1907/2006, China RoHS-2 directive, TSCA, by limiting the use of restricted substances in product designs.

Based on our knowledge and on the current available information from our suppliers, C&K products comply with TSCA regulation.

If you require more information, please don't hesitate to contact us at the following e-mail address: ck.green@ckswitches.com
